Subject: Volunteer Opportunity

Hello Jacob,

I am the current Volunteer & Community Outreach Intern for Twin Cities In Motion. I am wondering if there is a group or individuals within Boy Scouts that would be interested in volunteering with us at our upcoming events! Our next event, *Red, White & Boom* is around the corner and we would love for your group to join us! Below is more information about our next event, as well as a link to our volunteer page and website. *There are fundraising opportunities for groups to raise money while volunteering!*

Red White & Boom – TC Half Marathon, Relay & 5k

This fun summer race celebrates Independence Day, it is a family-friendly morning of races and activities! There will be ample positions to choose from for volunteering, start corral, finish line, cheer zone support, green team, fluid stations, photo stop support, to name a few! We would love to have your group come join us the morning of **Tuesday, July 4th**!

You can sign up to volunteer with this link: www.tcmevents.org/volunteer.

Visit our website to learn more: www.tcmevents.org.

Twin Cities In Motion (TCM) is the 501(c)(3) non-profit in the Twin Cities that hosts premier running events, most notably the Medtronic Twin Cities Marathon, a Top 10 U.S. Marathon. *We strive to promote healthy lifestyles through running events and community outreach.* Collectively, TCM and its charity partners that fundraise at TCM events give back more than one million dollars annually to a variety of causes.

There are group volunteer options, as well as opportunities to raise money for your group. Groups usually consist of 10+ volunteers. I will attach the group application forms to this email if you are interested.

Please let me know if your group is interested, would like information regarding our future events, or if there is someone else I should be contacting.

We hope to see you at one of our events!
